About Me

I am deeply passionate about innovation and leveraging technology to drive positive change. I am always exploring new ideas and emerging technologies, seeking opportunities to innovate and improve existing processes or create new solutions that deliver value to users and businesses alike.

Education

2015-2023 | BCA With Data Analytics, 8.00
Kristu Jayanti College

2023-2024 | MCA, 7.75
Christ University

Experience

Web Stack Internship At HSBC Company

During my internship at HSBC, I had the opportunity to immerse myself in web stack development, gaining valuable hands-on experience in building dynamic and interactive web applications. Working under the guidance of experienced mentors, I contributed to various projects and collaborated with cross-functional teams to deliver high-quality solutions.

Data Analytics At Citi Bank

As a Data Analyst at Citi Bank, I played a pivotal role in leveraging data-driven insights to inform strategic decision-making and drive business outcomes. Working within the dynamic and fast-paced environment of one of the world's leading financial institutions, I collaborated with cross-functional teams to extract, analyze, and interpret
